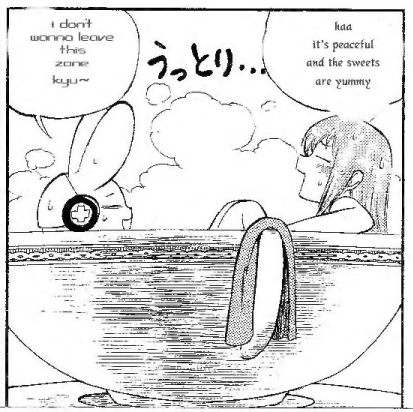
Welcome, general Taiki, and traveling comopanions!
this is Sweets Zone!
the sacred land of sweets where many patissieres have gathered!
i am the mistress who has been entrusted with this place's Code Crown. Weddinmon!
and these are my servents Shortmon!
hehe we've already become pretty well known!
yes! we've recently gotten news of your actions which have freed many Zones from the Bagra army
you have become small legends in this war-ridden Digital World
speaking of which,
this zone seems pretty peaceful.. hasn't the Bagra Army tried to invade yet?
fufu you know that sugar is the greatest source of energy right?
the elite forces here are nourished with them to protect against the Bagra Army's invasion

not at all!
we can't just take the CodeCrown here and walk away..
we usually get the CodeCrown somehow after defeating Bagra but
huh that means..
heh that makes sense
you guys must be better than you look
is it really okay for us to take it?
eh? then.
however
i have no objection to entrust this CodeCrown to you!
for Taiki and your comrades, who are fighting for the whole Digital World
indeed!
trail?
you must first pass the Trial of Sweets Zone!
in order to be entrusted with this CodeCrown

i can't even see the top!
this is ment to test his will power
i will allow his comrades to help him but asistance from digimon is not allowed
don't tell me they have to eat all that?
ドドドオオオオオオ
the best sweets of this Zone!
the Super-Ultra-Miracle-Dynamic-Special-Wonder-Galactica-Powerful-Gigantic Wedding Cake!
finish it in one setting!
i'm getting a heartburn just looking at it
it. it. looks tasty
i want to try it.
tch.. i-if that's the case!
yeah! let's do it!
EEEEHH?!

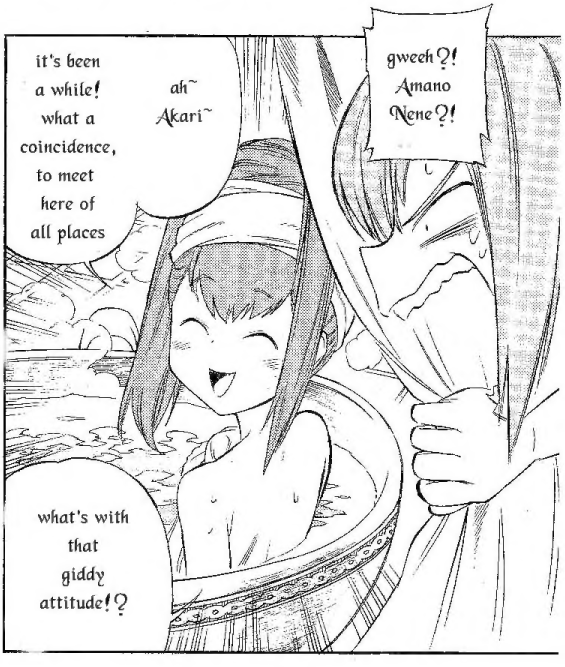
A/N: hehe cutemon is male -w-

JASRAC申請中

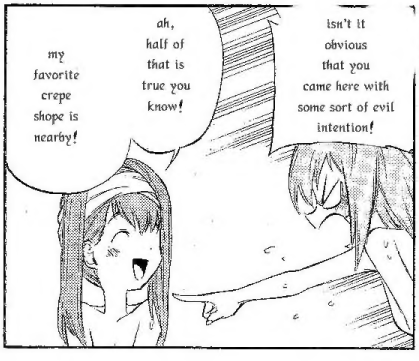


is someone there?
!?

you're spying on us using those TV-like digimon!
d-don't lie that this was a coincid-ence!



gweeh?! Amano Nene?!
it's been a while! what a coincidence, to meet here of all places
ah~ Akari~
what's with that giddy attitude!?



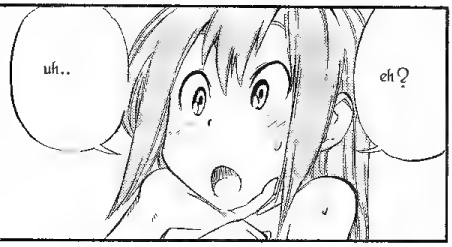
my favorite crepe shope is nearby!
ah, half of that is true you know!
isn't it obvious that you came here with some sort of evil intention!

ばっしゃーん
wha!? hu!? ahfouiahf?!
ah she sure is interesting to tease

annd the other half about me having evil intentions..?
i came because Taiki's seductiveness simply lured me in
WHA!?

i won't take your dear Taiki away from you
i just wish to barrow him for a while for the sake of my goals
!?
ufufu it was a joke
just a joke Akari^
ブクブク
d-dammit
what's with this woman

the chance to return to the human world might be sooner than you realize
it's alright
it won't be long before you'll be free of these awful wars
eh?!
eh?!

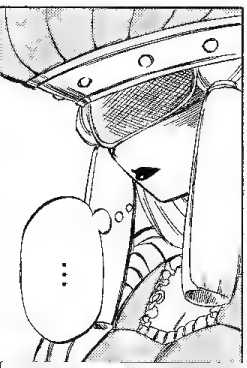


uh..
eh?

ah..

that's why.. just stay calm..
i hope that.. you'll leave everything to me

i won't let you all get hurt by anyone again
i'm sorry, but to tell the truth
Nene, if we don't hurry, the red boy and his friends..
a wonderful illusion technique Peckmon
yes, i know
for kind people like you this trap-ridden Digital World is to harsh
just a while longer
and i can send you all home safely, i promise
がくん
ハヤッ



p-pretty much the whole thing is left still
ドドド

!
it-
....
this cake is delicious so..
i-it's fine..
dammit! where is Akari?! is she STILL taking a bath!?
t-taiki ?!
zenjirou ?!
we could probably wait for Akari to return and reattempt this another time
but, it seems that the two of them will have to rest
th-they arn't dead are they !?
uooooo i won't let you die taikiiiiiiiii
they're not dead you idiots
no that is enough
we have put a lot of time on this cake
let us share it with you

for their passion
we shall send them to their afterlife painlessly!
what?!
WHAT !?!
what do you mean by that?
ufufufu
why i mean this dear

don't tell me se also has her eyes on us!?
I- Lilithmon !?

she's one of the commanders of Bogra's army
that name. sounds familiar!
you're Lilithmon?!

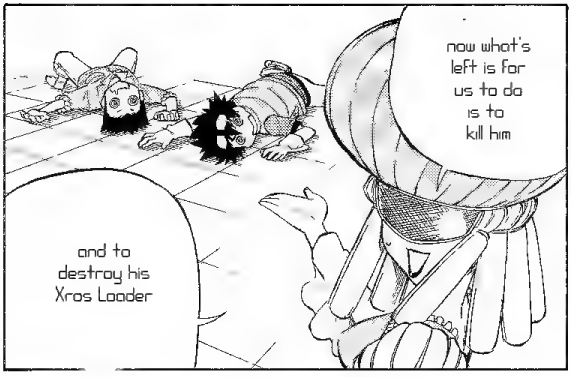
weddinmon here was a clever girl
hohoho
us becoming this well-known has its pros and cons
.....

she quickly surrendered when we attacked this Zone
and we kept this Zone as it is under the agreement that she'll give me the finest sweets without hesitation

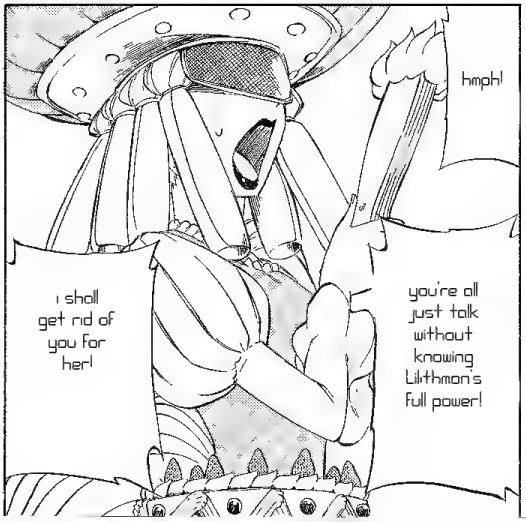
ahhh
just when I thought it'll be my first time to meet the Red General
he seems out of commision though

as you can see we've already turned him powerless!
p-poison in cake ?!
though you sure are doing things slowly
if you added a little of my magic poison into the sweets you had them eat you could've killed them or even turn them into living puppets

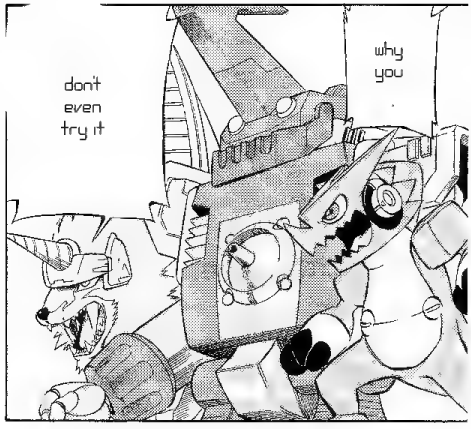
SO BASICLY YOU KEPT THIS ZONE FROM YOUR COMANDER BECAUSE OF A DEAL OF SELFISHNESS!
this Flan is simple delicious!
mnnn~



now what's left is for us to do is to kill him
and to destroy his Xros Loader



hmph!
you're all just talk without knowing Lilithmon's full power!
i shall get rid of you for her!



why you
don't even try it

WHAT THE
LET'S SWEEET'S ATTACK ROYAL!
YES MADAM

!!

oioioi what the hell!?
the parts we destoryed are coming back!?
!?
look! there at it's base!
however
you still arn't on par with me yet!

that's it! that's how it's regenerating
fufufufu clever, though this whole zone is my body really
ahhaha if you think that DigiXros is the strongest your wrong
it's absorbing the castle of cake!
regeneration is more useful than power!
idiots!
shit!
CRAZY CRACKER !!!!

That guys attack power isn't to be taken lightly
phew~ that was close
tch
ouch
tch. my one attack doesn't have enough power to beat him
that bastard !!
ahhh it seems your in a bit of a pickle, little dragon, ♥
Fork Dance
we need enough power to finish this in one hit
if only we could DigiXros to X4 we could win!
we really fell for their trap this time

though now I see how this girl battles
the situation isn't going as planed
oh well
things certianly are getting quite interesting indeed
well

she's making her move
to think that she would join in when she usually watches
can't be good for us. we need to find an escape
let me out now, Nene
with one of the three commanders as an opponent even Sparrowman won't be enough
hmmm Maybe I should join in this amusing fight
